Understanding Motivation: The Foundation of Limitless Potential

What Is Motivation?

Motivation is the internal drive that propels individuals toward specific goals or behaviors. It influences our choices, persistence, and resilience in the face of obstacles. Motivation can be categorized into two main types:

- Intrinsic Motivation: Driven by internal rewards such as personal growth, passion, or the joy of the activity.
- Extrinsic Motivation: Driven by external rewards like money, recognition, or social approval.

Both types play vital roles in sustaining effort, but intrinsic motivation is often more sustainable in the long run.
