Boundaries and Control

While some interpret boundaries as a way to control others, Cloud and Townsend clarify that boundaries are about controlling oneself?what one allows or tolerates?rather than controlling others? behaviors.

Boundary Lines: The Four Zones

The authors introduce the concept of boundary zones to help visualize how boundaries operate in relationships:

- The Zone of No Control: Situations beyond personal control (e.g., others? choices).
- The Zone of Responsibility: Areas where one is responsible for oneself and others (e.g., own emotions, actions).

Setting boundaries is only the first step; maintaining them requires ongoing effort and consistency. The authors highlight that boundary violations should be addressed promptly to reinforce limits.
