Historical Background and Mission of Gideons International

Founded in 1899 in Wisconsin, Gideons International was established by a group of traveling businessmen who recognized the need for accessible Scripture in everyday life. Their core mission is to "win men and women to the Lord Jesus Christ and to Bible believers' growth in Him" through the distribution of free Bibles.

Over the decades, the organization has grown exponentially, now operating in over 200 countries and territories. The Bible versions they distribute are selected carefully to meet their goal of clarity,

readability, and doctrinal accuracy, with the Gideons International Version being a notable choice.

Selection of the Bible Version: The Genesis of the 'Gideons International Version'

The term 'Gideons International Version' is sometimes used broadly to refer to the specific editions distributed by Gideons, which are generally based on popular translations such as the New International Version (NIV), King James Version (KJV), or New Living Translation (NLT).

However, in recent years, the term has become associated specifically with editions that reflect the NIV translation, which is the most widely used among Gideon Bibles. This version was chosen for its balance of readability, accuracy, and contemporary language.

Key reasons for selecting the NIV include:

- Clarity and Readability: Designed to be easily understood by a broad audience.
- Accuracy: Maintains fidelity to original texts while making the message accessible.
- Contemporary Language: Uses modern vocabulary and sentence structure.

While some traditionalists prefer the KJV, the NIV offers a more accessible language for modern readers without compromising theological accuracy.
