Jim Collins and the Genesis of Level 5 Leadership

The Background of Jim Collins' Research

Jim Collins embarked on his research journey to identify what distinguishes truly great companies from their competitors. Over five years, Collins and his team analyzed a large sample of companies, distinguishing those that made the leap from good to great and sustained that success for at least fifteen years. The resulting insights culminated in the book *Good to Great*, published in 2001, which has since become a foundational text in leadership and management literature.

The Emergence of Level 5 Leadership

Within *Good to Great*, Collins introduced the concept of Level 5 Leadership as the highest level in a hierarchy of leadership capabilities.
