Limitations and Criticisms

Simplification of Arrangements

While simplified arrangements make songs accessible, they may sometimes omit nuances present in the original compositions. Advanced students might find the adaptations limiting and may need additional resources to challenge themselves further.

Repetitiveness

Some critics argue that the repetitive nature of early exercises, while pedagogically sound, can become monotonous, potentially affecting motivation over time.

Limited Scope for Advanced Techniques

The Big Pop primarily targets beginners and may not adequately introduce advanced techniques such as embellishments, improvisation, or complex harmonies. Students seeking a comprehensive technical education might need supplementary materials.
