- Specialized Unit Nursing Positions (e.g., ICU, Maternity, Paediatrics)
- Community and Outreach Nursing Posts

Each position comes with specific requirements, responsibilities, and opportunities for professional development, making Ngwelezane Hospital a dynamic workplace for nursing professionals.

Roles and Responsibilities of Nursing Positions

Registered Nurses (RNs)

Registered Nurses at Ngwelezane Hospital are central to patient care. They are responsible for assessing patient needs, developing and implementing care plans, administering medications, and collaborating with multidisciplinary teams to ensure holistic care. RNs often serve as team leaders

within their units and play a vital role in supervising enrolled nurses and nursing assistants.

Core responsibilities include:

- Conducting comprehensive patient assessments
- Administering treatment and medications as prescribed
- Monitoring vital signs and observing patient progress
- Educating patients and families about health conditions and post-discharge care
- Maintaining accurate patient records
- Ensuring adherence to infection control and safety protocols

Enrolled Nurses (ENs)

Enrolled Nurses work under the supervision of Registered Nurses but are crucial in providing direct patient care. They assist with routine procedures, monitor patient status, and support the overall functioning of their respective units.

Typical duties encompass:

- Assisting with patient hygiene, feeding, and mobility
- Taking vital signs and recording observations
- Supporting medication administration under supervision
- Providing emotional support to patients and families
- Participating in health education initiatives

Auxiliary Nurses / Nursing Assistants

Auxiliary Nurses or Nursing Assistants serve as the frontline caregivers, offering basic patient support and ensuring comfort and safety. Their role is vital in busy hospital environments where their support allows RNs and ENs to focus on complex clinical tasks.

Main functions include:

- Assisting with activities of daily living
- Maintaining cleanliness and infection prevention protocols
- Observing and reporting changes in patient conditions
- Supporting logistical tasks within wards and clinics

Specialized Unit Nurses

Ngwelezane Hospital also offers opportunities for nurses interested in specialized fields such as intensive care, maternity, pediatrics, and surgical units. These posts require additional qualifications and experience but offer avenues for advanced practice and career growth.

Examples of specialized roles:

- ICU Nurse: Managing critically ill patients, ventilator support, advanced life support
- Maternity Nurse: Assisting in labor, postpartum care, neonatal support
- Pediatric Nurse: Caring for infants and children with acute or chronic conditions
