Understanding the NEBOSH IGC1 Exam Structure

Before delving into the significance of past papers, it is crucial to understand the structure of the IGC1 paper itself. The NEBOSH International General Certificate comprises three main units, with IGC1 focusing on Managing Health and Safety. The exam assesses a candidate's knowledge on the legal framework, risk management principles, and the core elements of health and safety management systems.

Format and Types of Questions

- **Question Types:** The IGC1 exam typically includes a mix of short-answer questions, multiple-choice questions, and scenario-based questions. These formats test both factual knowledge and application skills.
- **Total Marks and Duration:** Usually, the paper lasts for 2 hours, with a total of 60 marks available. The questions are designed to evaluate understanding across various topics such as legal requirements, hazard identification, risk assessment, and safety management systems.
- **Coverage Areas:** The exam covers topics like legal frameworks, hazard types, risk control measures, and the principles of health and safety management systems like Plan-Do-Check-Act (PDCA).

Understanding this structure is pivotal for effective preparation, as it guides candidates on how to allocate their time and emphasize different question types during revision.
