During the trip, our guide explained various exhibits, including ancient artifacts, traditional clothing, and historical photographs. I was particularly fascinated by the ancient pottery displayed in one of the galleries. After exploring the museum, we had a picnic lunch in the nearby park. In the afternoon, we played some outdoor games and took many photos together. Everyone had a lot of fun, especially when we shared stories and laughed.

Reorientation:

Overall, the trip was both educational and enjoyable. I felt happy to learn new things outside the classroom and bonded more with my friends. I hope we can go on such trips more often because they make learning more interesting.
