The novel opens with Dr. Anna Carter, a forensic pathologist, called to investigate a series of bizarre murders in the isolated town of Frostbite. The victims are found with frozen blood, a phenomenon that baffles local authorities and sparks whispers of supernatural involvement. As Anna delves deeper into the case, she uncovers a pattern linking the murders to an ancient legend about a malevolent entity that feeds on fear and despair.

Narrative Style and Pacing

The author employs a third-person limited point of view, primarily centered on Anna, which allows readers to intimately experience her psychological turmoil. The pacing balances moments of intense horror with slower, atmospheric passages that build dread and anticipation. The alternating chapters that reveal the backstory of the entity and the town's history enrich the plot, creating a layered storytelling experience.
