The Story of Noah's Ark: An Overview

What is Noah's Ark?

Noah's Ark is a large boat built by Noah, a man who was chosen by God to save himself, his family, and many animals from a great flood. The story is found in the Book of Genesis in the Bible and is a story that teaches about trust in God and caring for all living creatures.

Why Did the Flood Happen?

According to the story, people on Earth had become very naughty and disobedient. They were not kind to each other, and they forgot to obey God's rules. Because of this, God decided to send a big flood to clean the world and start fresh. Only Noah, who was a good and obedient man, would be saved.

The Building of the Ark

God's Message to Noah

God spoke to Noah and told him that a huge flood was coming to cover the world. God also asked Noah to build a big boat, called an ark, so that he and his family, along with pairs of animals, could be safe during the flood.

How Did Noah Build the Ark?

Building such a large boat was a big job! Noah followed God's instructions carefully:

- He used wood to build the ark, making it very strong.
- He measured and assembled the parts carefully.
- The ark had a door and windows for light and air.
- It was built to be waterproof and spacious enough for animals and humans.

Noah worked hard for many years, trusting that God would help him.

Gathering the Animals

Animals for the Ark

God told Noah to bring two of every kind of animal—both a male and a female—to the ark. This way, after the flood, the animals could repopulate the Earth. Noah also needed to bring food for the animals and for his family.

How Did Noah Find All the Animals?

It might seem like a big task, but Noah trusted that God would help. Some animals came to Noah naturally, while others were gathered with care and patience. The animals came in all shapes and sizes:

- Lions, tigers, and bears
- Elephants, giraffes, and zebras
- Birds, insects, and tiny creatures

Noah and his family worked together to load the animals onto the ark.

The Great Flood

The Rain Begins to Fall

After everyone and everything was aboard, it started to rain. The rain fell for forty days and forty nights, covering everything with water. The floodwaters rose higher and higher, covering the mountains and everything on Earth.

What Did Noah and the Animals Do?

They stayed safe inside the ark, floating on the water. Noah took care of the animals, making sure they were fed and comfortable. His family was also safe inside the boat.

The End of the Flood and the New Beginning

The Water Starts to Go Down

After many months, the rain stopped, and the water began to recede. Noah sent a raven and later a dove to see if the land was dry. The dove finally brought back an olive branch, which was a sign that the land was ready for them to leave the ark.

Leaving the Ark

When the land was dry, God told Noah to leave the ark. Noah and his family stepped out onto the new Earth, and the animals spread out to start new lives.

The Promise from God

God made a special promise to Noah and all living creatures:

- He would never again send a flood to destroy the world.
- He placed a rainbow in the sky as a sign of His promise.

This rainbow is a beautiful reminder of God's love and care for His creations.
