Origins of Duke Ellington's Nutcracker Suite

The Conception and Context

In 1960, Duke Ellington, already a legendary figure in jazz, embarked on an ambitious project: to adapt Tchaikovsky's *The Nutcracker* into a jazz suite. The idea was inspired by the desire to bring new life to classical compositions by integrating jazz idioms, thereby making them accessible and

appealing to broader audiences.

Ellington collaborated with composer and arranger Billy Strayhorn, who was a close confidant and creative partner. The duo sought to preserve the essence and emotional depth of Tchaikovsky's original work while adding their signature swing and improvisational flavor.
